

CPD30/35L1S

Electric Counterbalance Forklift

Truck 3.0/3.5T **LI-ION**
TECHNOLOGY

- High efficiency with high performance;
- IPX4 Rated, Suitable for Outdoor Usage;
- Standard Lithium battery, fast charging and convenient using;
- High comfort for operation with larger cab;

Specialized Upgrades For Paper Industry

Enhanced mast

With stronger tilt cylinder and oil tubes, the enhanced mast provides more powerful loading performance, ideal for retrofitting an clamp to transport paper rolls. Its all-round visibility also ensures safe and accurate stacking.

Lithium technology

The CPD35L1S is designed around the advantages of lithium technology. The standard 80V/560Ah Li-ion battery allows for fast and opportunity charging to cope with 7/24 operations and order peaks. Powered by 80 voltage motor, the truck performs well when it comes to loading and unloading at lorries or ramps.

High adaptability

The CPD35L1S comes with high ground clearance and water-protected design, making it suitable for harsh environments, such as uneven surfaces, wet and dusty warehouses.

Mast Option

	Mast types	Lift height (h3)	Height, Mast			Height,Free lift(h2)		Load distance centre of drive axle to fork X		Tilt of mast/fork carriage forward/backward		Load capacity
